Certificate of Analysis

Product Name:	Diethyl fluoromalonate		
Formula:	C ₇ H ₁₁ FO ₄	Molecular Weight:	178.16
CAS Number:	685-88-1		
Batch Number:	YF-DEF-20141012	Quantity:	306kg
Manufacture Date:	2014/10/12	Analysis Date:	2014/10/13
Packing:	200L Drum		

Items	Specifications	Results
Appearance	Colorless to pale yellow liquid	Complies
Identification(NMR)	Conforms to the standard	Complies
Purity (by GC)	≥97.0%	98.1%
Water content	<0.5%	0.12%

Conclusion: Comply with the required standards.

We state this product is for scientific use only.

Packaging and storage: Preserve in tight, light-resistant containers, -4°C~4°C, under dry conditions.
